Important Information - Please Read

- Please see the maps for information on parking. All parking for Sunday's trial is on Hayward Road. There is no on-site parking.
- Toilets may not be available while searches are happening.
- To ensure the show runs smoothly, please keep an eye on who is in front of you and remember to check in with the callboard on time. Do not enter any search area marked on the maps unless you are invited to and are entering for your search.
- Please be courteous to our judges, stewards, helpers, and to other handlers. We thank you for maintaining the friendly and respectful culture that SSANZ members value.
- **Do not discuss your search with others until everyone has completed that search. You have no idea how far your voice may travel and influence others.**
- Please ensure you and your dog give space to all dogs, particularly those dogs that require it or are not familiar with your dog. **"Spicy" dogs are encouraged to display a ribbon somewhere visible on their gear.** We will have some available.
- While there will be no catering or coffee cart, we encourage you to check out our lovely local cafés within wallking distance of the venues. Bring everything you might need (for you and your dog), taking into account the weather conditions. There may not be shade over the car parking area.
- **We respectfully ask that you take all your rubbish home with you** (including doggy poo bags) **and ask you to help us keep the venues clean.**
- Please remember to observe good dog behaviour and manners. Your dog must always be on a lead. Dogs must be contained fully in cars and not able to jump or lunge at others passing by. Don't allow your dog to jump out of your vehicle and run around loose.
- Pick up after your dog and do not allow your dog to "mark" on posts, bins, buildings, vehicles and equipment around the venue. It is a privilege to be given access to the schools, and we want to be able to use them again in the future.
- School grounds are also used by members of the public. In order to ensure everyone's safety, any searches conducted outdoors must be completed on lead.
- We may have some volunteer videographers at the trial. If you would like to be recorded, please bring your own device to the search for them to use.
